To calculate the exact amount, use the amount under 'rate'. Any discounts and/or supplements are possible depending on the territory and duration of the licence.

E.g. 1) Regional commercial radio spot for 1 month: €300 (radio rate) x 20% (regional use) x 50% (1 month) = €30

E.g. 2) TV credits for Belgium and the Netherlands: €150 (TV credits) x 133% (100% + 33% for extra country) = €199.50

* Additional amount relates to the online public communication on the corporate or institution's website and social media. Consequently, no additional licence is required as stated in [Article 2.1 of the general conditions](#). This condition is hereby dropped.
